Keep It Private
Learning to be Safe and Responsible Assessment

Just because you can share something online doesn't mean that you should!

1) Circle the place you would most like to visit online

- The Jungle
- Outer Space
- The Ocean

2) Can you spot the private information? Mark “X” through the information that you should not share with people you do not know well.

- My address is 2524 Sycamore Lane
- My birthday is February 5th, 2006
- I like watermelon
- I like swimming

3) On the back of this paper, draw something that you enjoy and want to share on the Internet.
